 - g) Service Tax & educational Cess charges, if any.
 - h) Other charges like installation and commissioning, etc.
 - i) Price of spares parts and consumables, if applicable.
 - j) Landed price as summation of all the above elements.

Note: i) Excise duty, if applicable, will be payable extra on Ex-works price only. Sales Tax/VAT will be payable extra as applicable, on Ex-works price plus Excise Duty.

ii) Educational Cess, if applicable, shall be payable extra on Excise Duty.

iii) Blank format of the price bid as quoted by the tenderer (without price) should also be included.

iv) A domestic manufacturer shall be considered as an indigenous manufacturer of the spares part manufactured and offered by them against tender has indigenous materials content cost plus labour content cost in excess of 30% of ex-works price of the spare part including all taxes & duties. You should submit a certificate to this effect.

2. Insurance: Insurance shall be at suppliers cost.

3. Price Variation: Price should be on firm basis till delivery. Otherwise, the offer will be rejected.

4. Delivery Schedule: The Supply of materials should start after 02 (two) months from the date of Purchase Order & completion should be made within 12 (twelve) months.(phased in equal proportion at the interval of 04 months). Delivery quoted by you shall as the essence of the Contract. The delivery schedule should be quoted on FOR destination (door delivery) basis. Date of commencement of supply, rate of supply per month and date of completion of supply must be very clearly indicated in the offer to be submitted in Cover-I which be adhered to by the tenderer.

In case of failure, Mugma Regional Workshop, reserve the right to all for the following:

a)To recover for the successful tenderer has agreed, liquidated damages @ ½% (half percent) of the price of any stores, which the successful tenderer has not been able to supply for each week or part during which the delivery of such store may be in arrears limited to 10%(Ten percent) where felt necessary, the limit of 10%(ten percent) can be increased to 15% (fifteen percent).

: 03 :

OR

- a) To purchase elsewhere, after due notice to the successful tenderer on their account and at the risk of the defaulting supplier, the stores not supplied or other materials of a similar description without canceling the supply order in respect of the consignment not yet due to supply.

OR

- b) To extend the delivery period with or without penalty, as may be considered fit and proper. The penalty imposed shall not be then the agreed liquidated damages referred to as clause no.(a) above.

OR

- c) Cancel the supply order or a portion thereof if Mugma RWS decides purchase of stores at the risk and cost of the defaulting supplier as also.

- d) To forfeit the security deposit received in full or in part.

- e) Where under this contract any sum of money is recoverable from any payable by the supplier Mugma RWS shall be entitled to recover such sum by appropriating, in part or whole by deducting any sum or which at any time thereafter may become due to the successful tender in this or any other contract. Should this sum have to pay to Mugma RWS on its demand the remaining balance. The successful tenderer shall however not be entitled to any gain or any such purchase.

5. VALIDITY: The offer should be valid for 180 days from the date of opening of Cover-I indicated in our tender.

6. PAYMENT TERMS: Please see Annexure – III(page 11) for payment terms.

7. SPECIAL CLAUSE: Any deviation from the above terms & conditions may make your offer liable for rejection. You will confirm in your commercial offer that you have gone through the terms & conditions and you will agree with them.

8. GUARANTEE & TEST CERTIFICATE: Manufacturer's Guarantee and test certificate should be furnished by the supplier along-with each supply.

9. PRICE FALL CLAUSE:

- a) The price charged for the materials to be supplied under the supply/purchase order by the supplier shall in no event exceed the lowest price at which suppliers sell the materials or offer to sell the materials of identical description to any customer during the tenure of the supply order.
- b) If any time during the said period the suppliers reduce the sale price, sell or offer to sell such materials to any other customer at a price lower than the ordered price, they shall forthwith notify such reduction of sale or offer to sell to enable us to do amend the rate of the order.

Contd..Page 04.

: 04 :

10. EARNEST MONEY: All tenderers must deposit an amount of Rs. 22,300.00 (Rupees twenty two thousand three hundred only) as Earnest Money.

The Earnest Money deposit should be in form of bank guarantee on any scheduled/nationalized bank in the form of Demand Draft of any scheduled/nationalized bank payable at Asansol drawn in favour of "EASTERN COALFIELDS LIMITED AREA-VIII" and must accompany the quotation i.e. Cover – I of bid for unsuccessful tender the Earnest Money Deposit shall be refunded immediately after finalization of the tenderer. The earnest Money Deposit shall be forfeited, if any, tenderer withdraw their offer before finalization of the tender or fails to submit order acceptance within the 15(fifteen) days from the date of order. However, if any State, Central Govt. Organization /PSUs and valid DGS&D/NSIC registered (for the tendered items) can produce documentary evidence issued by Govt. authorities for according exemption towards submission of EMD.

11. SECURITY DEPOSIT: The successful tenderer on whom order will be issued shall have to deposit security money in the form of bank guarantee in our prescribed format or in the form of Bank Draft of any scheduled/nationalized bank payable at Asansol in favour of "Eastern Coalfields Limited – Area- VIII" for 10% (Ten percent) of the ordered landed value. For successful tenderer, Earnest Money Deposit shall be converted to Security Money which will be refunded to the firm within 30 days of satisfactory execution of contract i.e. for supply of materials. For unsatisfactory performance and / or contractual failures, the security shall be forfeited.

Two weeks time shall be given in the order to the successful tenderer to furnish the security deposit. In case, the firm fails to deposit the security money, the order shall be cancelled and the case shall be processed to order elsewhere and the firm's performance shall be kept recorded for future dealing with them. However, if any State/Central Govt. organization /PSUs and valid DGS&D/NISC registered (for tendered items) can produce documentary evidence issued by Govt. authorities for according exemption of submission of security Deposit.

12. INSPECTION: The materials to be supplied against order are subject to inspection by the authority to be deputed for the purpose before dispatch, if required. The materials as received by the consignee will also be subject to inspection at consignee's end and the same shall be final and binding upon to the authority. If any materials are rejected, consignee will have liberty to:

- a) Allow the supplier for satisfactory replacement of the rejected part within a specified time and supplier will bear cost of replacement within being entitled to any extra payment.
- b) By elsewhere the quantity of materials to those rejected at the risk and cost of the suppliers.
- c) Terminate the contract whether in part or whole, rejected part/quantity will be removed by the supplier within 15 days of receipt of intimation of rejection.

Contd. Page:05:

13. Receipt towards purchase of Tender documents must be submitted along with the Techno Commercial Bid (Cover – I)

14. Supply orders if placed will be supplied by terms & conditions stipulated in the printed “General terms & conditions of supply of stores” enclosed unless otherwise stated in the enquiry/order.

15. In case of any of the stipulation of the Tender of General terms & conditions for supply of stores is found to be incongruent to the stipulation of the specification schedule shall hold good.

16. Purchase preference for products and services of Central Public Sector Enterprises shall be given as per Govt. of India current guidelines / policy.

17. Purchase preference for Ancillary Unit of ECL shall be given as per ECL Management policy.

18. DEEMED EXPORTS: If the bidder has quoted the items under the deemed export, then it will be the responsibility of the bidder to get all the benefits under deemed exports from the Government. MRW’s responsibility shall only be limited to the issuance of required certificate. The equipment will be un-conditional and phrases like “subject to availability of deemed export benefit “ etc. will not be accepted.

19. Banned or de-listed suppliers: The bidder shall give a declaration that they have not been banned or de-listed by any Government or quasi-Government agencies or PSUs. If a bidder has been banned by any Government or quasi - Government agencies or PSUs, this fact must be clearly stated and it may not necessarily be a cause for disqualifying him. If this declaration is not given the bid will be rejected as non-responsive.

- g) The Demand Draft payable as Earnest Money should be enclosed or documentary evidence towards exemption should be enclosed. Otherwise, the offer will not be considered as valid.
- h) In case the tender document has been downloaded from our Web-site, then Demand Draft payable as tender fee should be enclosed or documentary evidence towards exemption should be enclosed. Otherwise, the offer will not be considered as valid.

: 08 :

COVER-II (PRICE BID) should include the following information

- a) Basic Price of the materials and accessories.
- b) Rate and quantum of Excise Duty applicable.
- c) Rate and quantum of VAT applicable.
- d) Packing and forwarding charges, if any.
- e) Freight charges, if any.
- f) Transit Insurance charge, if any.
- g) Service Tax & educational cess charges, if any.
- h) Other charges like installation and commissioning etc.
- i) Price of spares parts and consumables, if applicable.
- j) Landed price as summation of all the above elements.

Besides the price schedule, which shall be provided along with the formal quotation a separate sheet flagged “ PRICE DATA” is also to be furnished which shall indicate landed price along with break up indicating above information.

Each envelope should be properly sealed and super scribed with the tender reference number and due date of opening and name & address of tenderer.

Cover-I shall be opened on the due date as mentioned on pre-page and Cover-II shall be opened after techno-commercial evaluation of the offer Cover –II i.e. price bid of those tenders shall be opened whose offers are found to be technically and commercially acceptable.

09:

Technical Specification of Coils, Commutators & D.C. Motors & Generators of EQC/EKG 4.6/5:

A: ARMATURE COILS:

1. All Coils should be of class 'H' Insulation.
2. One extra coils of each set is required in every supply for destructive testing which will be returned back to supplier after testing.
3. Conductor should be of 99.96% to 99.99% electrolyte copper strip.
4. Conductor should be annealed and with double glass covering.
5. Interlayer separation by nomex paper pad.
6. Slot portion by saw mica moulding.
7. Bend portion wrapped by kapton adhesive tape 2" on both side of bend.
8. Over hang portion & lead portion by super fine glass tape.
9. Following test certificate required at the time of supply by manufacturer:
 - a) Quality of copper conductor by govt. approved firm.
 - b) Inter-turn test 200 Ohms by 1000V Megger.
 - c) High voltage test should withstand 1KV AC for 1 minute on the slot portion by shorting lead portion & evolute portion Inter layer test at 1KV for 15 sec.
10. Two nos. sample coil must get approved by MRW before supply of consignment. The supply of consignment should start after approval of sample coils.

B. M.P. Coil/Compole Coil/ Stabilizing Coil:

- a) All Coils should be class 'H' Insulation.
- b) Conductors should be as per OEM specification.
- c) Resistance of coils should be as per OEM specification.

C: COMMUTATORS:

1. It should be made of silver bearing copper as per OEM (0.06%-0.12%)
2. Insulation class 'H'.
3. Commutator must be dynamically balanced at 2000 rpm Testing.
4. Segment to segment not less than 100 M ohms by 1000V Megger.
5. Segment to body, not less than 200M ohms by 1000 V Megger.
6. Overall segment to body should withstand 5KV AC for 1 minute.

Contd. Page- 10

D. STATOR COILS:

1. All coils should be of class 'H' Insulation.
2. One extra coils of each set is required in every supply for destructive testing which Will be returned back to supplier after testing.
3. Conductor should be of 99.96% to 99.99% electrolyte copper strip.
4. Conductor should be annealed and with double glass covering
5. Interlayer separation by glass mica.
6. Conductors bonded with epoxy bonding & wrapped with one layer of kapton adhesive tape.
7. Slot portion by saw mica moulding.
8. Bend portion wrapped by kapton adhesive tape 2" on both side of bend.
9. Over hang portion & head portion by super fine glass tape.
10. Overall taping by super fine glass tape.
11. Following test certificate required at the time of supply by manufacturer:
 - a) Quality of copper conductor by govt. approved firm
 - b) Inter-turn test 200 Ohms by 1000 V Megger
 - c) High voltage test should withstand 5KV AC for 1 minute on the slot portion by shorting lead portion Inter layer test at 1KV for 15 sec.

GUARANTEE/ WARRANTY : 3000W/hrs or 12 months from date of fitment or 18 months from the date of receipt and acceptance of materials and responsible for free of cost replacement of defective materials within 30 days of receipt of Intimation.

FITMENT GUARANTEE : Materials offered shall fit properly on above assembly without any modification certification is must

INDETIFICATION MARK : Manufacturer's identification mark should be embossed/ punched in a visible place of the materials.

DELIVERY SCHEDULE : Start from 02 months & complete in 12 months(Phased in equal proportion at the interval of 04 months.

SPECIAL NOTE:

- i) The items should strictly confirm to part number mentioned above in all respect.
- j) **Guarantee/Warranty:** The bidder shall fully responsible for manufacturer's guarantee/warranty in respect of proper design, quality, workmanship, specification, working drawing, materials composition, weight tolerance, finish dimensions, the correctness of the part and their fitment to the machine and discharge the duties for which the same would be ordered for a period of 3000 working hours or 12 months from the date fitment or 18 months from the date receipt and acceptance of materials at consignee's end which ever earlier, successful bidder will also be responsible for free of cost replacement of the defective materials within 30(thirty) days of receipt of intimation from the consignee/user project.
- iii) **Fitment Guarantee:** It must be guaranteed that the materials offered will fit properly on the above assembly without any modification for which the same are being purchased. If any part of the machine has been damaged due to use of the supplied item must be replaced on free of cost basis including the item, which is damaged. A certificate in this respect is to be given both in techno-commercial bid and at the time of delivery of materials. **OFFERS RECEIVED WITHOUT ACCEPTANCE OF THIS CLAUSE ARE LIABLE FOR REJECTION.**
- iv) **After sales Service:** After sales, service is to be provided by the supplier. In case of any premature failure, the supplier should send their Service representative to the site within 15(Fifteen) days of getting such information either from the user project or consignee. Supplier shall also be liable for sending service representative for commissioning the supplied items desired by the user project or consignee.
- v) **Identification Mark:** Manufacturer's identification mark should be embossed/punched in a visible place of the materials, which is not subject wear & tear.
- vi) **Performance Guarantee:** In the event of acceptance of your tender you will have to furnish a Bank Guarantee on any scheduled/Nationalized bank in our standard format equivalent to 10% of the landed value for which the period of 18(eighteen) months from the date of receipt & acceptance of materials .The bank Guarantee shall be on a non-judicial stamp paper worth Rs.50.00 or more and must be in the name of the bank.
- vii) Quantity required as indicated above may vary downward/upward to the extent of 20%.
- viii) **Consignee:** Materials Manager, Mugma Regional Workshop, PO: Mugma
Dist: Dhanbad – 828204 (Jharkhand).
- ix) **Paying Authority:** Sr. Account Officer, Mugma Regional Workshop,
PO: Mugma, Dist: Dhanbad-828204 (Jharkhand).
- x) **Terms of payment:** 100% payment will be made within 21 days of receipt and acceptance of materials or submission bill whichever is later.
Categorical Confirmation regarding acceptance of the above technical description and all other points mentioned above must be indicated in Cover-I.

ANNEXURE - IV

SCHEDULE OF REQUIREMENT:

Sl. No.	Description of Materials	Drawing No.	Coils/Set	Quantity
01	Armature Coil for 54 KW Crowd/Propel Motor, BHEL Make Drg., Insulation Class- 'H'	14114038040	35 Coils/Set	09 Sets
02	Armature Coil for 54 KW Crowd Motor, KEC Make (As per sample) ,Insulation Class- 'H'	As per Sample	43 Coils/Set	04 Sets
03	Armature Coil for 60 KW Swing Motor, BHEL Make Drg. Insulation Class – 'H'	24114038013	35 Coils/Set	01 Set
04	Armature Coil for 42 KW Crowd Generator,BHEL Make Drg., Insulation Class- 'H'	3413408016	41 Coils/Set	02 Sets
05	Armature Coil for 192 KW Hoist Generator, BHEL Make Drg.,Insulation Class- 'H'.	14139038037	62 Coils/Set	01 Set
06	Stator Coil for 250 KW, 3.3/ 6.6 KV Main Motor AC BHEL/USSR Make Drg. (As per Sample), Insulation Class – 'H'	55231217	60 Coils/Set	01 Set
07	M.P.Coil for 54 KW Crowd/ Propel Motor, BHEL Drg.	24113238061		04 Nos.
08	M.P.Coil for 54 KW Crowd Motor KEC Make (As per sample)	As per Sample		08 Nos.
09.	Compole Coil for 54 KW Crowd Motor KEC Make (As per sample)	As perm Sample		08 Nos.
10	Stabilizing coil for 42 KW Crowd Generator , BHEL Make Drg.	34133238017		04 Nos.
11	Commutator for 54 KW Crowd/Propel Motor , as per BHEL Make Drg, Insulation Cl;ass- ' H '	24114238014		04 Nos.
12	Commutator for 42 KW Crowd Generator as per BHEL Make Drg., Insulation Class- ' H '	34134238000		02 Nos.
13	Commutator for 100 KW Swing/Propel Generator , as per BHEL Make Drg., Insulation Class - ' H '	24134238013		01 No.

N.B:- Quantity as mentioned above may vary at the time of placement of Order.

CRITERIA FOR PROVEN - NESS FOR ECL.

A firm will be considered a “ Proven Firm” for ECL for the tendered item(s) if it is satisfies any of the following:

- ii) Firm whose products (tendered) items of similar nature of tendered items(s) are in use in Mugma RWS/ECL and due to their satisfactory performance they have already been accepted proven in ECL- firms have to submit self-attested copies of orders received from Mugma RWS/ECL,HQ.
- iii) Firms whose product (tendered item(s)/ similar nature of tendered items are in regular use and their performance have been declared proven in CIL/other Subsidiary of CIL-reflected by placement of order (not above 07 years) for substantial quantity/repeat orders/satisfactory performance report issued by the head of technical department of HQ-firm have to submit self-attested copies of relevant orders of substantial quantity/performance report received by them.
- iv) Firm currently holding Rate Contract for supply of the tendered item(s) /similar nature of tendered item(s) with CIL/any subsidiary of CIL- have to submit self-attested copies of relevant RCs received by them.
- v) OEMs/OES/their sole authorized dealer will attain proven status on the basis of the OEMs/OES fulfilling criteria (i) or (ii) above.
