[Name & Address of the Assured]

Dear Mr./Ms.[_____]

Subject: Letter of Assurance

Preamble

In consideration of the request by [*insert name of the applicant and address of the unit/planf*] (hereinafter referred to as “**the Assured**”) for issuance of Letter of Assurance (hereinafter referred to as “**LOA**”) requiring [*insert quantity*] tonnes per annum (tpa) of [*insert Grade of coal*] Grade coal for its [*insert capacity*] MW Captive Power Plant [to be] located at [*insert name of the location of the captive power plant*] (hereinafter referred to as “**CPP**”), from about [*insert the date of commencement of coal supplies*], as requested by the Assured, [*insert name of the CIL subsidiary*] (hereinafter referred to as “**the Assurer**”) hereby provisionally assures that it would endeavour to supply coal to the Assured subject to the following terms and conditions:

1. Scope of Assurance

1.1 Quantity & Grade of coal

Subject to the Assured fulfilling its obligations in accordance with Clause 2 to the satisfaction of the Assurer within the period of validity of this LOA and the signing of the Fuel Supply Agreement (FSA) within three (3) months thereafter, the Assurer shall endeavour to supply, as per the normative requirement of the CPP, [*insert quantity*]tonnes per annum (tpa) of [*insert Grade of coal*] Grade(s) coal to the Assured, which shall be subject to review and assessment by the Assurer of the actual coal requirement of the Assured as well as the incremental availability of coal from the mines of the Assurer and/or of imported coal. It is expressly clarified that in the event that the incremental coal supplies available with the Assurer (after meeting out the commitments already made) is less than the incremental coal demand, such incremental availability shall be distributed on pro-rata basis and the balance quantity of coal requirement shall be met through imported coal available with the Seller, which too shall be distributed on pro-rata basis.

1.2 Price of coal

The price of coal assured herein shall be as per the notified price of CIL from time to time. Notwithstanding, in case the quantity of normative requirement, as

stated in Clause 1.1 above, necessitates opening of a dedicated mine, then coal shall be priced at the higher of the cost plus reasonable return or such notified price. The quantity of imported coal that may be supplied to the Assured, as mentioned in Clause 1.1, shall be charged at the landed cost plus service charge. Such service charge shall be notified by the Assurer from time to time. The Assured shall be liable to pay all applicable taxes and statutory levies.

1.3 Change in law

In the event of an enactment, promulgation, amendment or repeal of any statute, policy, decree, notice, rule or direction by any government instrumentality that would have an impact on the coal supply terms assured hereof, the Assurer shall be free to amend or repeal this LOA without any liabilities or damages, whatsoever, payable to the Assured.

1.4 Force-Majeure affecting the Assurer

In the event that development of the coal block identified by the Assurer for the purpose of meeting the normative requirement stated in Clause 1.1 is delayed or terminated for reasons including de-allocation of such block by the Government and inordinate delays faced in acquiring land or receiving environmental/forest clearances; Or that imports of coal required for the purpose of meeting the portion of normative requirement stated in Clause 1.1 is reasonably withheld owing to such factors as global shortage or a Force-Majeure event affecting the source(s) of imported coal or logistical bottlenecks faced in transportation and unloading; which are not within the control of and not caused by the negligence or fault of the Assurer; the Assurer shall be free to amend or repeal this LOA without incurring any liability whatsoever, including the liability for payment of damages to the Assured.

2. Fulfillment of Assured's obligations

2.1 Time-bound achievement of milestones

The Assured shall undertake to complete all the activities, as mentioned in Annexure 1 to this LOA, within twenty four (24) months from the date of issue of LOA and each activity within the time-period mentioned against it. For the avoidance of any doubt, the time-period of twenty-four (24) months, as aforesaid, shall include any Force Majeure Act that may occur during the validity of the LOA.

2.2 Reporting Requirement

The Assured shall submit the status of each activity/milestone including the documentary evidence in relation to such status within the time-period as mentioned in Annexure 1.

2.3 Verification by the Assurer

The Assurer reserves the right to independently verify the status of each milestone, as mentioned in Annexure 1, and satisfy itself of its authenticity; and in the event of any significant or reasonable discrepancy found by the Assurer in respect of the status reported /documentary evidence submitted by the Assured, the Assurer shall notify the Assured forthwith upon which the Assured shall correct the discrepancy so noted by the Assurer within seven (7) days. Further, in the event that the Assured fails to correct the discrepancy as provided herein the Assured shall be liable to submit additional Commitment Guarantee, as per Clause 3.3.

3. Commitment Guarantee by the Assured

3.1 Amount of Commitment Guarantee

Prior to the date of issue of this LOA, the Assured have provided to the Assurer, a Commitment Guarantee (CG), in cash / bank guarantee, for a sum of Rs. [*insert amount in figures and words*] equivalent to ten percent (10%) of base price of Grade [*insert Grade of coal**] Run-of-Mine (ROM) coal of the Assurer prevalent on the date of application for issue of LOA, multiplied by the quantity of coal mentioned in the Preamble, {Note:in no case shall the CG be less than Rs.3,00,000/- (Indian Rupees Three lakhs only) or be more than Rs.6,00,00,000/- (Indian Rupees Sixty Million only) per mtpa of coal quantities requested by the Assured or part thereof.} Such CG shall be non-interest bearing, and in case of it being deposited in the form of bank guarantee it should comply with the format specified by the Assurer and issued by a scheduled bank acceptable to the Assurer.

3.2 Validity & Conversion of Commitment Guarantee

The Commitment Guarantee (CG) shall remain valid until four (4) months after the expiry of the LOA period of twenty-four (24) months. Thereafter, the CG shall stand converted into the Contract Performance Guarantee (CPG) that would be the condition precedent to signing of the FSA, in which case validity of the CG shall be extended in accordance with the terms of the FSA. For the avoidance of any doubt, the Assured shall be liable to submit the guarantee for such further

amount that may result from the difference between the CPG under FSA and the CG under this LOA.

3.3 Additional Commitment Guarantee

If any activity/milestone is not duly performed or completed by the Assured within the time stipulated against each such activity/milestone, as specified in Annexure 1, then the Assured shall be liable to furnish to the Assurer one tenth (1/10th) of the amount of CG for each such non-performed or incomplete milestone, as additional Commitment Guarantee, within fifteen (15) days from the date such activity/milestone is falling due for completion. For the avoidance of any doubt, such additional CG may need to be deposited multiple times subject to partial/non-fulfillment of each activity/milestone at the end of each half-yearly interval, as mentioned in Annexure 1. The aggregate of additional CG(s) in no case shall exceed the amount of CG, as specified in Clause 3.1 above. Further, such additional CG(s) shall at all times be deemed to be a part of the CG and all related provisions of this LOA shall be equally applicable for additional CG.

3.4 Encashment of Commitment Guarantee

3.4.1 Cancellation or withdrawal of LOA

In the event that any of the activities/milestones is delayed beyond the period specified against each such activity/milestone in Annexure 1 and the Assured fails to furnish the additional CG to the Assurer in accordance with Clause 3.3 hereof, or the Assured furnishes additional CG to the Assurer in accordance with Clause 3.3 hereof but fails to fulfill all the activities/milestones within the total period of twenty-four (24) months, as specified in Annexure 1, the Assurer shall have the right to cancel or withdraw this LOA after duly notifying the Assured in writing at least seven (7) days in advance. For the avoidance of doubt, all the milestones, as specified in Annexure 1, shall need to be fully completed and any partial completion of any activity/milestone at the end of validity of LOA shall entitle the Assurer to cancel or withdraw this LOA. Upon such cancellation/withdrawal of this LOA, the Assurer shall encash the CG including any additional CG submitted by the Assured. It is clarified for removal of doubt that this Clause shall survive the cancellation/ withdrawal of this LOA.

3.4.2 Failure to sign the FSA

The Assurer shall have the right to encash the CG in the event of failure by the Assured to sign the FSA within three (3) months from the expiry of validity of the LOA or the satisfactory achievement of all the milestones, as shown in Annexure

1, whichever is earlier. It is also clarified to the Assured that the percentage of annual contracted quantity fixed with respect to Take or Pay obligations in the FSA may be reviewed by the Seller in light of its coal availability and coal commitments, and amended on year-to-year basis during the term of the FSA.

4. Validity of the LOA

The LOA shall remain valid for a period of twenty-four (24) months from the date of issue of this LOA, and shall stand annulled upon expiry of such period.

5. Assignment of the LOA

The Assured shall not, without the express prior written consent of the Assurer, assign to any third person the LOA, or any right, benefit, obligation or interest therein or thereunder.

6. End-use of coal

The total quantity of coal assured pursuant to this LOA is for use at the CPP, and the Assured shall not re-sell or trade the coal assured or supplied hereunder to any third party. If at any time in the reasonable opinion of the Assurer, the Assured has entered into an arrangement for such resale or trade of such coal supplies, the Assurer shall cancel/withdraw this LOA without incurring any liability whatsoever, including the liability for payment of damages to the Assured.

** In case of multiple Grades mentioned in Clause 1.1, Grade with the highest Useful Heat Value (UHV) shall be considered for the purpose of calculation of Commitment Advance.*

[Name & Address of the Assured]

Dear Mr./Ms.[_____]

Subject: Letter of Assurance

Preamble

In consideration of the request by [*insert name of the applicant and address of the plant*] (hereinafter referred to as “**the Assured**”) for issuance of Letter of Assurance (hereinafter referred to as “**LOA**”) requiring [*insert quantity*]tonnes per annum (tpa)] of [*insert Grade of coal*] Grade coal for its [*insert capacity*]MW Power Plant [to be] located at [*insert name of the location of the Power Plant*] (hereinafter referred to as “**the Plant**”), from about [*insert the date of commencement of coal supplies*], as requested by the Assured, [*insert name of the CIL subsidiary*] (hereinafter referred to as “**the Assurer**”) hereby provisionally assures that it would endeavour to supply coal to the Assured subject to the following terms and conditions:

1. Scope of Assurance

1.1 Quantity, Grade and Source of coal

Subject to the Assured fulfilling its obligations in accordance with Clause 2 to the satisfaction of the Assurer within the period of validity of this LOA and the signing of the Fuel Supply Agreement (FSA) within three (3) months thereafter, the Assurer shall endeavour to supply, as per the normative requirement of the Plant, [*insert quantity*] million tonnes per annum (mtpa) of [*insert Grade of coal*] Grade(s) coal to the Assured, which shall be subject to review and assessment by the Assurer of the actual coal requirement of the Assured as well as the incremental availability of coal from the mines of the Assurer and of imported coal. It is expressly clarified that in the event that the incremental coal supplies available with the Assurer (after meeting out the commitments already made) is less than the incremental coal demand, such incremental availability shall be distributed on pro-rata basis and the balance quantity of coal requirement shall be met through imported coal available with the Seller, which too shall be distributed on pro-rata basis.

1.2 Price of coal

The price of coal assured herein shall be as per the notified price of CIL from time to time. Notwithstanding, in case the quantity of normative requirement, as

stated in Clause 1.1 above, necessitates opening of a dedicated mine, then coal shall be priced at the higher of the cost plus reasonable return or such notified price. The quantity of imported coal that may be supplied to the Assured, as mentioned in Clause 1.1, shall be charged at the landed cost plus service charge. Such service charge shall be notified by the Assurer from time to time. The Assured shall be liable to pay all applicable taxes and statutory levies.

1.3 Change in law

In the event of an enactment, promulgation, amendment or repeal of any statute, policy, decree, notice, rule or direction by any government instrumentality that would have an impact on the coal supply terms assured hereof; the Assurer shall be free to amend or repeal this LOA without any liabilities or damages, whatsoever, payable to the Assured.

1.4 Force-Majeure affecting the Assurer

In the event that development of the coal block identified by the Assurer for the purpose of meeting the normative requirement stated in Clause 1.1 is delayed or terminated for reasons including de-allocation of such block by the Government and inordinate delays faced in acquiring land or receiving environmental/forest clearances; Or that imports of coal required for the purpose of meeting the portion of normative requirement stated in Clause 1.1 is reasonably withheld owing to such factors as global shortage or a Force-Majeure event affecting the source(s) of imported coal or logistical bottlenecks faced in transportation and unloading; which are not within the control of and not caused by the negligence or fault of the Assurer; the Assurer shall be free to amend or repeal this LOA without incurring any liability whatsoever, including the liability for payment of damages to the Assured.

2. Fulfillment of Assured's obligations

2.1 Time-bound achievement of milestones

The Assured shall undertake to complete all the activities, as mentioned in Annexure 1 to this LOA, within twenty four (24) months from the date of issue of LOA and each activity within the time-period mentioned against it unless such completion is affected due to any Force Majeure event provided that such Force Majeure event shall not include inability or failure to obtain financing for the Plant or failure to comply with the existing rules and regulations with respect to statutory clearances applicable to the Plant or any such event resulting from the negligence, omission or default by the Assured; and the Assured notifies in

writing within seven (7) of occurrence of any such Force Majeure event along with documentary evidence of the same.

2.2 Reporting Requirement

The Assured shall submit the status of each activity/milestone including the documentary evidence in relation to such status within the time-period as mentioned in Annexure 1.

2.3 Verification by the Assurer

The Assurer reserves the right to independently verify the status of each milestone as mentioned in Annexure 1, and in the event of any significant or reasonable discrepancy found by the Assurer in respect of the status reported /documentary evidence submitted by the Assured, the Assurer shall notify the Assured forthwith upon which the Assured shall correct the discrepancy so noted by the Assurer within seven (7) days. Further, in the event that the Assured fails to correct the discrepancy as provided herein the Assured shall be liable to submit additional Commitment Guarantee, as per Clause 3.3.

3. Commitment Guarantee by the Assured

3.1 Amount of Commitment Guarantee

Prior to the date of issue of this LOA, the Assured have provided to the Assurer, a Commitment Guarantee (CG), in cash / bank guarantee, for a sum of Rs.[*insert amount in figures and words*] equivalent to ten percent (10%) of base price of Grade [*insert Grade of coal**] Run-of-Mine (ROM) coal of the Assurer prevalent on the date of application for issue of LOA, multiplied by the quantity of coal mentioned in the Preamble. {Note: In no case shall the CG be less than Rs.2,50,00,000/- (Indian Rupees Two hundred and Fifty Million only) or be more than Rs.6,00,00,000/- (Indian Rupees Sixty Million only) per mtpa of coal quantities requested by the Assured or part thereof.} Such CG shall be non-interest bearing, and in case of it being deposited in the form of bank guarantee it should comply with the format specified by the Assurer and issued by a scheduled bank acceptable to the Assurer.

3.2 Validity of Commitment Guarantee

The Commitment Guarantee (CG) shall remain valid until four (4) months after the expiry of the LOA period of twenty-four (24) months. Thereafter, the CG shall stand converted into the Contract Performance Guarantee (CPG) that would be the condition precedent to signing of the FSA, in which case, validity of the CG

shall be extended in accordance with the terms of the FSA. For the avoidance of any doubt, the Assured shall be liable to submit the guarantee for such further amount that may result from the difference between the CPG under FSA and the CG under this LOA.

3.3 Additional Commitment Guarantee

If any activity/milestone is not duly performed or completed by the Assured within the time stipulated against each such activity/milestone, as specified in Annexure 1, then the Assured shall be liable to furnish to the Assurer one tenth (1/10th) of the amount of CG for each such non-performed or incomplete milestone, as additional CG, within fifteen (15) days from the date such activity/milestone is falling due for completion. For the avoidance of any doubt, such additional CG may need to be deposited multiple times subject to partial/non-fulfillment of each activity /milestone at the end of each half-yearly interval, as mentioned in Annexure 1. The aggregate of additional CG(s), however, in no case shall exceed the amount of CG, as specified in Clause 3.1 above. Further, such additional CG(s) shall at all times be deemed to be a part of the CG and all related provisions of this LOA shall be equally applicable for additional CG.

3.4 Encashment of Commitment Guarantee

3.4.1 Cancellation or withdrawal of LOA

In the event that any of the activities/milestones is delayed beyond the period specified against each such activity/milestone in Annexure 1 and the Assured fails to furnish the additional CG to the Assurer in accordance with Clause 3.3 hereof, or the Assured furnishes additional CG to the Assurer in accordance with Clause 3.3 hereof but fails to fulfill all the activities/milestones within the total period of twenty-four (24) months, as specified in Annexure 1, the Assurer shall have the right to cancel or withdraw this LOA after duly notifying the Assured in writing at least seven (7) days in advance. For the avoidance of doubt, all the milestones, as specified in Annexure 1, shall need to be fully completed and any partial completion with regard to any activity/milestone at the end of validity of the LOA shall entitle the Assurer to cancel or withdraw this LOA. Upon such cancellation/ withdrawal of this LOA, the Assurer shall encash the CG including any additional CG submitted by the Assured. It is clarified for removal of doubt that this Clause shall survive the cancellation/ withdrawal of this LOA.

3.4.2 Failure to sign the FSA

The Assurer shall have the right to encash the CG in the event of failure by the Assured to sign the FSA within three (3) months from the expiry of validity of the LOA or the satisfactory achievement of all the milestones, as shown in Annexure 1, whichever is earlier. It is also clarified to the Assured that the percentage of annual contracted quantity fixed with respect to Take or Pay obligations in the FSA may be reviewed by the Seller in light of its coal availability and coal commitments, and amended on year-to-year basis during the term of the FSA.

3.5 Return of Commitment Guarantee

In case of inability of the Assured to fulfill any activity/ milestone, as specified in Annexure 1, due to the occurrence of any Force Majeure event, the time period for fulfillment of such activity/milestone, shall be extended for the period of such Force Majeure event, subject to a maximum extension period of three (3) months, continuous or non-continuous in aggregate. In no case including a Force Majeure event affecting multiple activities/ milestones shall the validity of LOA be extended by more than three (3) months. Thereafter, this LOA may be cancelled/ withdrawn by the Assurer after duly notifying the Assured in writing at least seven (7) days in advance without any liabilities or damages, whatsoever, payable by the Assured to the Assurer; and the Assurer shall return the CG submitted by the Assured.

4. Validity of the LOA

The LOA shall remain valid for a period of twenty-four (24) months from the date of issue of this LOA unless extended for three (3) months in accordance with Clause 3.5 hereof, and shall stand annulled upon expiry of such period..

5. Assignment of the LOA

The Assured shall not, without the express prior written consent of the Assurer, assign to any third person the LOA, or any right, benefit, obligation or interest therein or thereunder.

6. End-use of coal

The total quantity of coal assured pursuant to this LOA is for use at the Plant, and the Assured shall not re-sell or trade the coal assured or supplied hereunder to any third party. If at any time in the reasonable opinion of the Assurer, the Assured has entered into an arrangement for such resale or trade of such coal supplies, the Assurer shall cancel/withdraw this LOA without incurring any liability whatsoever, including the liability for payment of damages to the Assured.

** In case of multiple Grades mentioned in Clause 1.1, Grade with the highest Useful Heat Value (UHV) shall be considered for the purpose of calculation of Commitment Advance.*

[Name & Address of the Assured]

Dear Mr./Ms.[_____]

Subject: Letter of Assurance

Preamble

In consideration of the request by [*insert name of the applicant and address of the plant*] (hereinafter referred to as “**the Assured**”) for issuance of Letter of Assurance (hereinafter referred to as “**LOA**”) requiring [*insert quantity*] tonnes per annum (tpa) of [*insert Grade of coal*] Grade coal for its [*insert capacity*]MW Power Plant [to be] located at [*insert name of the location of the power plant*] (hereinafter referred to as “**the Plant**”), from about [_____ *insert the date of commencement of coal supplies*], as requested by the Assured, [*insert name of the CIL subsidiary*] (hereinafter referred to as “**the Assurer**”) hereby provisionally assures that it would endeavour to supply coal to the Assured subject to the following terms and conditions:

1. Scope of Assurance

1.1 Quantity, Grade and Source of coal

Subject to the Assured fulfilling its obligations in accordance with Clause 2 to the satisfaction of the Assurer within the period of validity of this LOA and the signing of the Fuel Supply Agreement (FSA) within three (3) months thereafter, the Assurer shall endeavour to supply, as per the normative requirement of the Plant, [*insert quantity*]million tonnes per annum (mtpa) of [*insert Grade of coal*] Grade(s) coal to the Assured, which shall be subject to review and assessment by the Assurer of the actual coal requirement of the Assured as well as the availability of coal from the mines of the Assurer and of imported coal. It is expressly clarified that in the event that the coal supplies available with the Assurer is less than the coal demand, such availability shall be distributed on pro-rata basis and the balance quantity of coal requirement shall be met through imports of coal. Notwithstanding, the ongoing coal supplies by the Seller to the existing power plants would be provided due preference over the new power plants to whom such letters of assurance have been issued by the Seller; and the remaining coal including imported coal available with the Seller shall be distributed to such new power plants on pro-rata basis.

1.2 Price of coal

The price of coal assured herein shall be as per the notified price of CIL from time to time. Notwithstanding, in case the quantity of normative requirement, as stated in Clause 1.1 above, necessitates opening of a dedicated mine, then coal shall be priced at the higher of the cost plus reasonable return or such notified price. The quantity of imported coal that may be supplied to the Assured, as mentioned in Clause 1.1, shall be charged at the landed cost plus service charge. Such service charge shall be notified by the Assurer from time to time. The Assured shall be liable to pay all applicable taxes and statutory levies.

1.3 Change in law

In the event of an enactment, promulgation, amendment or repeal of any statute, policy, decree, notice, rule or direction by any government instrumentality that would have an impact on the coal supply terms assured hereof; the Assurer shall be free to amend or repeal this LOA without any liabilities or damages, whatsoever, payable to the Assured.

1.4 Force-Majeure affecting the Assurer

In the event that development of the coal block identified by the Assurer for the purpose of meeting the normative requirement stated in Clause 1.1 is delayed or terminated for reasons including de-allocation of such block by the Government and inordinate delays faced in acquiring land or receiving environmental/forest clearances; Or that imports of coal required for the purpose of meeting the portion of normative requirement stated in Clause 1.1 is reasonably withheld owing to such factors as global shortage or a Force-Majeure event affecting the source(s) of imported coal or logistical bottlenecks faced in transportation and unloading; which are not within the control of and not caused by the negligence or fault of the Assurer; the Assurer shall be free to amend or repeal this LOA without incurring any liability whatsoever, including the liability for payment of damages to the Assured.

2. Fulfillment of Assured's obligations

2.1 Time-bound achievement of milestones

The Assured shall undertake to complete all the activities, as mentioned in Annexure 1 to this LOA, within twenty four (24) months from the date of issue of LOA and each activity within the time-period mentioned against it unless such completion is affected due to any Force Majeure event provided that such Force Majeure event shall not include inability or failure to obtain financing for the Plant or failure to comply with the existing rules and regulations with respect to

statutory clearances applicable to the Plant or any such event resulting from the negligence, omission or default by the Assured; and the Assured notifies in writing within seven (7) of occurrence of any such Force Majeure event along with documentary evidence of the same.

2.2 Reporting Requirement

The Assured shall submit the status of each activity/milestone including the documentary evidence in relation to such status within the time-period as mentioned in Annexure 1.

2.3 Verification by the Assurer

The Assurer reserves the right to independently verify the status of each milestone as mentioned in Annexure 1, and in the event of any significant or reasonable discrepancy found by the Assurer in respect of the status reported /documentary evidence submitted by the Assured, the Assurer shall notify the Assured forthwith upon which the Assured shall correct the discrepancy so noted by the Assurer within seven (7) days. Further, in the event that the Assured fails to correct the discrepancy as provided herein the Assured shall be liable to submit additional Commitment Guarantee, as per Clause 3.3.

3. Commitment Guarantee by the Assured

3.1 Amount of Commitment Guarantee

Prior to the date of issue of this LOA, the Assured have provided to the Assurer, a Commitment Guarantee (CG), in cash / bank guarantee, for a sum of Rs. [*insert amount in figures and words*] equivalent to ten percent (10%) of base price of Grade [*insert Grade of coal**] Run-of-Mine (ROM) coal of the Assurer prevalent on the date of application for issue of LOA, multiplied by the quantity of coal mentioned in the Preamble {Note : In no case shall the CG be less than Rs.2,50, 00,000/- (Indian Rupees Two hundred and Fifty Million only) or be more than Rs.6,00,00,000/- (Indian Rupees Sixty Million only) per mtpa of coal quantities requested by the Assured or part thereof.} Such CG shall be non-interest bearing, and in case of it being deposited in the form of bank guarantee it should comply with the format specified by the Assurer and issued by a scheduled bank acceptable to the Assurer.

3.2 Validity of Commitment Guarantee

The Commitment Guarantee (CG) shall remain valid until four (4) months after the expiry of the LOA period of twenty-four (24) months. Thereafter, the CG shall

stand converted into the Contract Performance Guarantee (CPG) that would be the condition precedent to signing of the FSA, in which case, validity of the CG shall be extended in accordance with the terms of the FSA. For the avoidance of any doubt, the Assured shall be liable to submit the guarantee for such further amount that may result from the difference between the CPG under FSA and the CG under this LOA.

3.3 Additional Commitment Guarantee

If any activity/milestone is not duly performed or completed by the Assured within the time stipulated against each such activity/milestone, as specified in Annexure 1, then the Assured shall be liable to furnish to the Assurer one tenth (1/10th) of the amount of CG for each such non-performed or incomplete milestone, as additional CG, within fifteen (15) days from the date such activity/milestone is falling due for completion. For the avoidance of any doubt, such additional CG may need to be deposited multiple times subject to partial/non-fulfillment of each activity /milestone at the end of each half-yearly interval, as mentioned in Annexure 1. The aggregate of additional CG(s), however, in no case shall exceed the amount of CG, as specified in Clause 3.1 above. Further, such additional CG(s) shall at all times be deemed to be a part of the CG and all related provisions of this LOA shall be equally applicable for additional CG.

3.4 Encashment of Commitment Guarantee

3.4.1 Cancellation or withdrawal of LOA

In the event that any of the activities/milestones is delayed beyond the period specified against each such activity/milestone in Annexure 1 and the Assured fails to furnish the additional CG to the Assurer in accordance with Clause 3.3 hereof, or the Assured furnishes additional CG to the Assurer in accordance with Clause 3.3 hereof but fails to fulfill all the activities/milestones within the total period of twenty-four (24) months, as specified in Annexure 1, the Assurer shall have the right to cancel or withdraw this LOA after duly notifying the Assured in writing at least seven (7) days in advance. For the avoidance of doubt, all the milestones, as specified in Annexure 1, shall need to be fully completed and any partial completion with regard to any activity/milestone at the end of validity of the LOA shall entitle the Assurer to cancel or withdraw this LOA. Upon such cancellation/ withdrawal of this LOA, the Assurer shall encash the CG including any additional CG submitted by the Assured. It is clarified for removal of doubt that this Clause shall survive the cancellation/ withdrawal of this LOA.

3.4.2 Failure to sign the FSA

The Assurer shall have the right to encash the CG in the event of failure by the Assured to sign the FSA within three (3) months from the expiry of validity of the LOA or the satisfactory achievement of all the milestones, as shown in Annexure 1, whichever is earlier. It is also clarified to the Assured that the percentage of annual contracted quantity fixed with respect to Take or Pay obligations in the FSA may be reviewed by the Seller in light of its coal availability and coal commitments, and amended on year-to-year basis during the term of the FSA.

3.5 Return of Commitment Guarantee

In case of inability of the Assured to fulfill any activity/ milestone, as specified in Annexure 1, due to the occurrence of any Force Majeure event, the time period for fulfillment of such activity/milestone, shall be extended for the period of such Force Majeure event, subject to a maximum extension period of three (3) months, continuous or non-continuous in aggregate. In no case including a Force Majeure event affecting multiple activities/ milestones shall the validity of LOA be extended by more than three (3) months. Thereafter, this LOA may be cancelled/ withdrawn by the Assurer after duly notifying the Assured in writing at least seven (7) days in advance without any liabilities or damages, whatsoever, payable by the Assured to the Assurer; and the Assurer shall return the CG submitted by the Assured.

4. Validity of the LOA

The LOA shall remain valid for a period of twenty-four (24) months from the date of issue of this LOA unless extended for three (3) months in accordance with Clause 3.5 hereof, and shall stand annulled upon expiry of such period..

5. Assignment of the LOA

The Assured shall not, without the express prior written consent of the Assurer, assign to any third person the LOA, or any right, benefit, obligation or interest therein or thereunder.

6. End-use of coal

The total quantity of coal assured pursuant to this LOA is for use at the Plant, and the Assured shall not re-sell or trade the coal assured or supplied hereunder to any third party. If at any time in the reasonable opinion of the Assurer, the Assured has entered into an arrangement for such resale or trade of such coal

supplies, the Assurer shall cancel/withdraw this LOA without incurring any liability whatsoever, including the liability for payment of damages to the Assured.

** In case of multiple Grades mentioned in Clause 1.1, Grade with the highest Useful Heat Value (UHV) shall be considered for the purpose of calculation of Commitment Advance.*

Annexure 1: Milestones to be achieved by the Assured during the validity of LOA – State Owned Power Utilities

[Name & Address of the Assured]

Dear Mr./Ms.[_____]

Subject: Letter of Assurance

Preamble

In consideration of the request by [*insert name of the applicant and address of the unit/planf*] (hereinafter referred to as “**the Assured**”) for issuance of Letter of Assurance (hereinafter referred to as “**LOA**”) requiring [*insert quantity*]tonnes per annum (tpa) of [*insert Grade of coal*] Grade coal for its [*insert capacity*]TPA Cement plant [to be] located at [*insert name of location of the Cement plant*] (hereinafter referred to as “**the Plant**”), from about [*insert the date of commencement of coal supplies*], as requested by the Assured, [*insert name of the CIL subsidiary*] (hereinafter referred to as “**the Assurer**”) hereby provisionally assures that it would endeavour to supply coal to the Assured subject to the following terms and conditions:

1. Scope of Assurance

1.1 Quantity & Grade of coal

Subject to the Assured fulfilling its obligations in accordance with Clause 2 to the satisfaction of the Assurer within the period of validity of this LOA and the signing of the Fuel Supply Agreement (FSA) within three (3) months thereafter, the Assurer shall endeavour to supply, as per the normative requirement of the Plant, [*insert quantity*]tonnes per annum (tpa) of [*insert Grade of coal*] Grade(s)] coal to the Assured, which shall be subject to review and assessment by the Assurer of the actual coal requirement of the Assured as well as the incremental availability of coal from the mines of the Assurer and/or of imported coal. It is expressly clarified that in the event that the incremental coal supplies available with the Assurer (after meeting out the commitments already made) is less than the incremental coal demand, such incremental availability shall be distributed on pro-rata basis and the balance quantity of coal requirement shall be met through imported coal available with the Seller, which too shall be distributed on pro-rata basis.

1.2 Price of coal

The price of coal assured herein shall be as per the notified price of CIL from time to time. Notwithstanding, in case the quantity of normative requirement, as

stated in Clause 1.1 above, necessitates opening of a dedicated mine, then coal shall be priced at the higher of the cost plus reasonable return or such notified price. The quantity of imported coal that may be supplied to the Assured, as mentioned in Clause 1.1, shall be charged at the landed cost plus service charge. Such service charge shall be notified by the Assurer from time to time. The Assured shall be liable to pay all applicable taxes and statutory levies.

1.3 Change in law

In the event of an enactment, promulgation, amendment or repeal of any statute, policy, decree, notice, rule or direction by any government instrumentality that would have an impact on the coal supply terms assured hereof, the Assurer shall be free to amend or repeal this LOA without any liabilities or damages, whatsoever, payable to the Assured.

1.4 Force-Majeure affecting the Assurer

In the event that development of the coal block identified by the Assurer for the purpose of meeting the normative requirement stated in Clause 1.1 is delayed or terminated for reasons including de-allocation of such block by the Government and inordinate delays faced in acquiring land or receiving environmental/forest clearances; Or that imports of coal required for the purpose of meeting the portion of normative requirement stated in Clause 1.1 is reasonably withheld owing to such factors as global shortage or a Force-Majeure event affecting the source(s) of imported coal or logistical bottlenecks faced in transportation and unloading; which are not within the control of and not caused by the negligence or fault of the Assurer; the Assurer shall be free to amend or repeal this LOA without incurring any liability whatsoever, including the liability for payment of damages to the Assured.

2. Fulfillment of Assured's obligations

2.1 Time-bound achievement of milestones

The Assured shall undertake to complete all the activities, as mentioned in Annexure 1 to this LOA, within twelve (12) months from the date of issue of LOA and each activity within the time-period mentioned against it. For the avoidance of any doubt, the time-period of twelve (12) months, as aforesaid, shall include any Force Majeure Act that may occur during the validity of the LOA.

2.2 Reporting Requirement

The Assured shall submit the status of each activity/milestone including the documentary evidence in relation to such status within the time-period as mentioned in Annexure 1.

2.3 Verification by the Assurer

The Assurer reserves the right to independently verify the status of each milestone, as mentioned in Annexure 1, and satisfy itself of its authenticity; and in the event of any significant or reasonable discrepancy found by the Assurer in respect of the status reported /documentary evidence submitted by the Assured, the Assurer shall notify the Assured forthwith upon which the Assured shall correct the discrepancy so noted by the Assurer within seven (7) days. Further, in the event that the Assured fails to correct the discrepancy as provided herein the Assured shall be liable to submit additional Commitment Guarantee, as per Clause 3.3. Notwithstanding anything contained herein, the Assurer shall reserve the right to physically inspect and satisfy itself the installation and commissioning of the Plant prior to signing of FSA with the Assured.

3. Commitment Guarantee by the Assured

3.1 Amount of Commitment Guarantee

Prior to the date of issue of this LOA, the Assured have provided to the Assurer, a Commitment Guarantee (CG), in cash / bank guarantee, for a sum of Rs. [*insert amount in figures and words*] equivalent to ten percent (10%) of base price of Grade [*insert Grade of coal**] Run-of-Mine (ROM) coal of the Assurer prevalent on the date of application by the Assured for issue of LOA, multiplied by the quantity of coal mentioned in the Preamble. {Note: In no case shall the CG be less than Rs.3,00,000/- (Indian Rupees Three lakhs only) or be more than Rs.6,00,00,000/- (Indian Rupees Sixty Million only) per mtpa of coal quantities requested by the Assured or part thereof.} Such CG shall be non-interest bearing, and in case of it being deposited in the form of bank guarantee it should comply with the format specified by the Assurer and issued by a scheduled bank acceptable to the Assurer.

3.2 Validity & Conversion of Commitment Guarantee

The Commitment Guarantee (CG) shall remain valid until four (4) months after the expiry of the LOA period of twelve (12) months. Thereafter, the CG shall stand converted into the Contract Performance Guarantee (CPG) that would be the condition precedent to signing of the FSA, in which case validity of the CG shall be extended in accordance with the terms of the FSA. For the avoidance of

any doubt, the Assured shall be liable to submit the guarantee for such further amount that may result from the difference between the CPG under FSA and the CG under this LOA.

3.3 Additional Commitment Guarantee

If any activity/milestone due to be completed in six (6) months from the date of issue of LOA, as specified in Annexure 1, is not duly performed or completed by the Assured within the said specified time-period, then the Assured shall be liable to furnish to the Assurer one tenth (1/10th) of the amount of CG for each such non-performed or incomplete milestone, as additional Commitment Guarantee, within fifteen (15) days of the expiry of such specified time-period. Further, such additional CG(s) shall at all times be deemed to be a part of the CG and all related provisions of this LOA shall be equally applicable for the additional CG.

3.4 Encashment of Commitment Guarantee

3.4.1 Cancellation or withdrawal of LOA

In the event any activity/milestone due to be completed in six (6) months, as specified in Annexure 1, is not duly performed or completed by the Assured within the said specified time-period and the Assured fails to furnish the additional CG in accordance with Clause 3.3 hereof, or the Assured furnishes additional CG to the Assurer in accordance with Clause 3.3 hereof but fails to fulfill all the activities/milestones within the total period of twelve (12) months, as specified in Annexure 1, the Assurer shall have the right to cancel or withdraw this LOA after duly notifying the Assured in writing at least seven (7) days in advance. For the avoidance of doubt, all the milestones, as specified in Annexure 1, shall need to be fully completed and any partial completion with regard to any activity/milestone at the end of validity of the LOA shall entitle the Assurer to cancel or withdraw this LOA. Upon such cancellation/ withdrawal of this LOA, the Assurer shall encash the CG including any additional CG submitted by the Assured. It is clarified for removal of doubt that this Clause shall survive the cancellation/ withdrawal of this LOA.

3.4.2 Failure to sign the FSA

The Assurer shall have the right to encash the CG in the event of failure by the Assured to sign the FSA within three (3) months from the expiry of validity of the LOA or the satisfactory achievement of all the milestones, as shown in Annexure 1, whichever is earlier. It is also clarified to the Assured that the percentage of annual contracted quantity fixed with respect to Take or Pay obligations in the

FSA may be reviewed by the Seller in light of its coal availability and coal commitments, and amended on year-to-year basis during the term of the FSA.

4. Validity of the LOA

The LOA shall remain valid for a period of twelve months (12) months from the date of issue of this LOA, and shall stand annulled upon expiry of such time-period.

5. Assignment of the LOA

The Assured shall not, without the express prior written consent of the Assurer, assign to any third person the LOA, or any right, benefit, obligation or interest therein or thereunder.

6. End-use of coal

The total quantity of coal assured pursuant to this LOA is for use at the Plant, and the Assured shall not re-sell or trade the coal assured or supplied hereunder to any third party. If at any time in the reasonable opinion of the Assurer, the Assured has entered into an arrangement for such resale or trade of such coal supplies the Assurer shall cancel/withdraw this LOA without incurring any liability whatsoever, including the liability for payment of damages to the Assured

** In case of multiple Grades mentioned in Clause 1.1, Grade with the highest Useful Heat Value (UHV) shall be considered for the purpose of calculation of Commitment Advance.*

[Name & Address of the Assured]

Dear Mr./Ms.[_____]

Subject: Letter of Assurance

Preamble

In consideration of the request by [*insert name of the applicant and address of the unit/plan*] (hereinafter referred to as “**the Assured**”) for issuance of Letter of Assurance (hereinafter referred to as “**LOA**”) requiring [*insert quantity*]tonnes per annum (tpa)] of [*insert grade of coal*] Grade coal for its [*insert quantity*]tpa Sponge-iron unit [to be] located at [*insert name of location of Sponge Iron Unit*] (hereinafter referred to as “**the Unit**”), from about [*insert the date of commencement of coal supplies*] as requested by the Assured, [*insert name of the CIL subsidiary*] (hereinafter referred to as “**the Assurer**”) hereby provisionally assures that it would endeavour to supply coal to the Assured subject to the following terms and conditions:

1. Scope of Assurance

1.1 Quantity & Grade of coal

Subject to the Assured fulfilling its obligations in accordance with Clause 2 to the satisfaction of the Assurer within the period of validity of this LOA, and the signing of the Fuel Supply Agreement (FSA) within three (3) months thereafter, the Assurer shall endeavour to supply, as per the normative requirement of the Unit, [*insert quantity*] tpa of [*insert Grade of coal*] Grade(s) coal to the Assured, which shall be subject to review and assessment by the Assurer of the actual coal requirement of the Assured as well as the incremental availability of coal from the mines of the Assurer and/or imported coal. It is expressly clarified that in the event that the incremental coal supplies available with the Assurer (after meeting out the commitments already made) is less than the incremental coal demand, such incremental availability shall be distributed on pro-rata basis and the balance quantity of coal requirement shall be met through imported coal available with the Seller, which too shall be distributed on pro-rata basis.

1.2 Price of coal

The price of coal assured herein shall be as per the notified price of CIL from time to time. Notwithstanding, in case the quantity of normative requirement, as stated in Clause 1.1 above, necessitates opening of a dedicated mine, then coal

shall be priced at the higher of the cost plus reasonable return or such notified price. The quantity of imported coal that may be supplied to the Assured, as mentioned in Clause 1.1, shall be charged at the landed cost plus service charge. Such service charge shall be notified by the Assurer from time to time. The Assured shall be liable to pay all applicable taxes and statutory levies.

1.3 Change in law

In the event of an enactment, promulgation, amendment or repeal of any statute, policy, decree, notice, rule or direction by any government instrumentality that would have an impact on the coal supply terms assured hereof, the Assurer shall be free to amend or repeal this LOA without any liabilities or damages, whatsoever, payable to the Assured.

1.4 Force-Majeure affecting the Assurer

In the event that development of the coal block identified by the Assurer for the purpose of meeting the normative requirement stated in Clause 1.1 is delayed or terminated for reasons including de-allocation of such block by the Government and inordinate delays faced in acquiring land or receiving environmental/forest clearances; Or that imports of coal required for the purpose of meeting the portion of normative requirement stated in Clause 1.1 is reasonably withheld owing to such factors as global shortage or a Force-Majeure event affecting the source(s) of imported coal or logistical bottlenecks faced in transportation and unloading; which are not within the control of and not caused by the negligence or fault of the Assurer; the Assurer shall be free to amend or repeal this LOA without incurring any liability whatsoever, including the liability for payment of damages to the Assured.

2 Fulfillment of Assured's obligations

2.1 Time-bound achievement of milestones

The Assured shall undertake to complete all the activities, as mentioned in Annexure 1 to this LOA, within twelve (12) months from the date of issue of LOA and each activity within the time-period mentioned against it. For the avoidance of any doubt, the time-period of twelve (12) months, as aforesaid, shall include any Force Majeure Act that may occur during the validity of the LOA.

2.2 Reporting Requirement

The Assured shall submit the status of each activity/milestone including the documentary evidence in relation to such status within the time-period as mentioned in Annexure 1.

2.3 Verification by the Assurer

The Assurer reserves the right to independently verify the status of each milestone, as mentioned in Annexure 1, and satisfy itself on the same; and in the event of any significant or reasonable discrepancy found by the Assurer in respect of the status reported /documentary evidence submitted by the Assured, the Assurer shall notify the Assured forthwith, upon which the Assured shall correct the discrepancy so noted by the Assurer within seven (7) days. Further, in the event that the Assured fails to correct the discrepancy as provided herein, the Assured shall be liable to submit additional Commitment Guarantee, as per Clause 3.3. Notwithstanding anything contained herein, the Assurer shall reserve the right to physically inspect and satisfy itself the installation and commissioning of the Unit prior to signing of FSA with the Assured.

3 Commitment Guarantee by the Assured

3.1 Amount of Commitment Guarantee

Prior to the date of issue of this LOA, the Assured have provided to the Assurer, a Commitment Guarantee (CG), in cash / bank guarantee, for a sum of [*insert amount in figures and words*] equivalent to ten percent (10%) of base price of Grade [*insert grade of coal**] Run-of-Mine (ROM) coal of the Assurer prevalent on the date of application by the Assured for issue of LOA, multiplied by the quantity of coal mentioned in the Preamble. (Note: In no case shall the CG be less than Rs.3,00,000/- (Indian Rupees Three lakhs only) or be more than Rs.6,00,00,000/- (Indian Rupees Sixty Million only) per mtpa of coal quantities requested by the Assured or part thereof). Such CG shall be non-interest bearing, and in case of it being deposited in the form of bank guarantee it should comply with the format specified by the Assurer and issued by a scheduled bank acceptable to the Assurer.

3.2 Validity & Conversion of Commitment Guarantee

The Commitment Guarantee (CG) shall remain valid until four (4) months after the expiry of the LOA period of twelve (12) months. Thereafter, the CG shall stand converted into the Contract Performance Guarantee (CPG) that would be the condition precedent to signing of the FSA, in which case validity of the CG shall be extended in accordance with the terms of the FSA. For the avoidance of

any doubt, the Assured shall be liable to submit the guarantee for such further amount that may result from the difference between the CPG under FSA and the CG under this LOA.

3.3 Additional Commitment Guarantee

If any activity/milestone due to be completed in six (6) months from the date of issue of LOA, as specified in Annexure 1, is not duly performed or completed by the Assured within the said specified time-period, then the Assured shall be liable to furnish to the Assurer one tenth (1/10th) of the amount of CG for each such non-performed or incomplete milestone, as additional Commitment Guarantee, within fifteen (15) days of the expiry of such specified time-period. Further, such additional CG(s) shall at all times be deemed to be a part of the CG and all related provisions of this LOA shall be equally applicable for the additional CG.

3.4 Encashment of Commitment Guarantee

3.4.1 Cancellation or withdrawal of LOA

In the event any activity/milestone due to be completed in six (6) months, as specified in Annexure 1, is not duly performed or completed by the Assured within the said specified time-period; and the Assured fails to furnish the additional CG in accordance with Clause 3.3 hereof, or the Assured furnishes additional CG to the Assurer in accordance with Clause 3.3 hereof but fails to fulfill all the activities/milestones within the total period of twelve (12) months as specified in Annexure 1, the Assurer shall have the right to cancel or withdraw this LOA after duly notifying the Assured in writing at least seven (7) days in advance.

For the avoidance of doubt, all the milestones, as specified in Annexure 1, shall need to be fully completed and any partial completion with regard to any activity/milestone at the end of validity of the LOA shall entitle the Assurer to cancel or withdraw this LOA. Upon such cancellation/ withdrawal of this LOA, the Assurer shall encash the CG including any additional CG submitted by the Assured. It is clarified for removal of doubt that this Clause shall survive the cancellation/ withdrawal of this LOA.

3.4.2 Failure to sign the FSA

The Assurer shall have the right to encash the CG in the event of failure by the Assured to sign the FSA within three (3) months from the expiry of validity of the LOA or the satisfactory achievement of all the milestones, as shown in Annexure 1, whichever is earlier. It is also clarified to the Assured that the percentage of

annual contracted quantity fixed with respect to Take or Pay obligations in the FSA may be reviewed by the Seller in light of its coal availability and coal commitments, and amended on year-to-year basis during the term of the FSA.

4 Validity of the LOA

The LOA shall remain valid for a period of twelve months (12) months from the date of issue of this LOA, and shall stand annulled upon expiry of such time-period.

5 Assignment of the LOA

The Assured shall not, without the express prior written consent of the Assurer, assign to any third person the LOA, or any right, benefit, obligation or interest therein or thereunder.

6 End-use of coal

The total quantity of coal assured pursuant to this LOA is for use at the Unit, and the Assured shall not re-sell or trade the coal assured or supplied hereunder to any third party. If at any time in the reasonable opinion of the Assurer, the Assured has entered into an arrangement for such resale or trade of such coal supplies, the Assurer shall cancel/withdraw this LOA without incurring any liability whatsoever, including the liability for payment of damages to the Assured...

** In case of multiple Grades mentioned in Clause 1.1, Grade with the highest Useful Heat Value (UHV) shall be considered for the purpose of calculation of Commitment Advance.*

Annexure 1: Milestones to be achieved by the Assured during the validity of LOA – Sponge-iron Unit
